

## **AMENDMENT TO SAILING INSTRUCTIONS COMBINED WINDWARD LEEWARD 2022-23**

### **Amendment 1**

#### **Sailing Instructions**

The purpose of setting common courses for all divisions of the RKR series was to allow all the boats representing the three clubs to sail against boats of similar style and performance and thus produce competitive and enjoyable sailing whilst also providing race/time results that each club could use for their respective Pointscore series..

In redesigning the combined Windward Leeward courses to three separate geographical locations a problem has occurred where RMYC Division 1 boats are forced to race on the Div 1 (White) course, when in fact, the Adams 10 boats are more suited to race against the Div 2 (Green) boats from LMYC and Div 1 boats from WASC.

This Amendment addresses that anomaly by:

1 Separating the combined Div 2 competition (Yellow & Green fleets) by creating a standalone division for the Yellow fleet.

2 LMYC contributing additional prizemoney as all entrants in this fleet (Yellow) are LMYC entrants.

(This is in addition to current prizemoney for Div's 1(White), 2 (Green, now standalone), and 3(Blue).

3 Combining White and Green fleets on a common course but with two separate start times as previously used with the green/Yellow fleet and using the elapsed times for LMYC, WASC and RMYCT pointscores.

5 Re-running races 1 & 2 for Green and Yellow fleets

4 Changing Sailing Instructions to reflect dates and courses/divisions for future races as well as start sequences for White, Green and Yellow divisions.
