

WIND WARRIOR LAKEFEST REGATTA 2024

REGATTA REPORT

19/2/24

Twelve competitors started in the Lakefest Regatta on Sunday 18th February. A two fleet system was used where 8 boats sailed in two different heats with a combined result counting as a race.

Perfect conditions for RC sailing in a light south east breeze allowed ten heats to be completed in the morning. After a lunch break another 10 heats were sailed. With a total of ten races and two drops the winner was Paul Morrish followed by Brad Quiggin second and Dave Anstey third.

After a short break a match racing competition was held with the eight competitors from the scratch racing. Final results for the Lakefest Match Racing were Paul Morrish 1st, Brad Quiggin 2nd and Marshall Harper 3rd.

Thanks to the Paul Morrish and Brad Quiggin for setting up their gazebos. Thanks also to Terry Farrell and Chris Molloy for doing the course laying and scoring.

Marshall Harper
