## **SAILING AT LMYC**

### **Saturday Pointscore Series**

Saturday afternoon racing commences in the first week of September and concludes end of March. Other Pointscore Series may be added at the discretion of the Sailing Committee.

### **Class racing**

LMYC promotes class racing. Class boats race in a separate Division on Saturdays between the first week in September and end of March.

### **LMYC Offshore Pointscore**

A number of offshore races are conducted between September and April generally to Pittwater, Newcastle and Port Stephens. They are daytime races to a destination on a Saturday and returning race on Sunday. In the past, a combined Offshore Pointscore Series was run in conjunction with Newcastle Cruising Yacht Club. There is no offshore racing at this point in time due to depth restrictions in the channel leading into the lake.

### **Wednesday Racing**

Racing is conducted on Wednesday afternoons all year round and is for non-spinnaker boats. Both Sweepstake and Pointscore results are conducted. These races are generally handicap starts. Monthly "Scratch Starts" on the first Wednesday of the month are used during Daylight Saving Time.

### **Friday Twilight Racing**

Generally, in line with Daylight Saving Time, Twilight races are conducted late on Friday afternoons. Friday afternoon is a great way to try an evening of sailing with friends and family.

### **Lady Skipper Pointscore**

The Friday Twilight series also includes a Pointscore for Lady Skippers on nominated races in the Friday Twilight Program.

### **Winter Series**

During winter, starting on the third Sunday in May, racing is conducted over an 11 race series. A Sweepstake race is conducted for mixed fleet of non-spinnaker and spinnaker boats. A Pointscore series is conducted conjointly for all boats.

## LMYC CRUISING DIVISION

LMYC's Cruising Division through regular organised cruises, social activities and information sessions provides the opportunity for members to maximize enjoyment from the use of their vessels and the surrounding cruising grounds. There is a strong focus on sharing knowledge, development of good seamanship and safe practices. Membership of the Cruising Division is available to all Sailing Members of the LMYC for an additional \$22 per year or \$60 for three years (single or family). The Cruising Division currently comprises a fleet of over 80 vessels.

Benefits of Cruising Division membership include;

- Membership to a network of experienced cruising sailors only too happy to share knowledge.
- Hearing relevant and high quality Guest Presenters following the General Meetings.
- Participation in organised cruises on the Lake and the East Coast ranging in duration from an afternoon to two weeks or longer.
- Participation in relevant skill development workshops.
- Keeping in touch with Cruising Division news and the activities of fellow members by;
  - Attending the monthly General Meetings, commencing at 7.00pm on the second Monday of the month (excluding January) in the Bridge Deck Room at LMYC.
  - Reading a copy of the monthly "Cruise Letter" (copies can be accessed through the LMYC website).
  - Joining the Cruising Division Facebook group.

If you would like to learn more about the Cruising Division you can write to the "Cruising Division" at the LMYC, select "Cruising" from the Sailing menu on the LMYC website, contact any of the committee members listed below or come along to a General Meeting where you will be made most welcome.
