

WIND WARRIOR NSW STATE CHAMPIONSIP 2025

REGATTA REPORT

5/2/25

Only eight competitors started in the NSW State Championship on Sunday 2nd March.

Ideal conditions for RC sailing in a light easterly breeze allowed ten races to be completed in the morning. After a lunch break another 10 races were sailed. With a total of twenty races and four drops the winner was Dave Anstey followed by Eric Law second and Andrew Poynting third. In the performance results Andrew Poynting was ahead of Dave Anstey and Simon Griffiths.

After a short break a match racing competition was held with the eight competitors from the scratch racing. The final was a best of three races between Dave Anstey and Andrew Poynting. Smart tactics by Andrew Poynting saw him dominate the start and win the first two races. Final results for the NSW Match Racing Championship were Andrew Poynting 1st with Dave Anstey 2nd.

Thanks to the Lake Macquarie Yacht Club for the use of the club facilities especially the marquee. Thanks also to Chris Molloy for doing the starting and scoring.
