SCRATCH AND PERFORMANCE RACING

September racing has been sailed in light to moderate breezes from all directions. Racing has been finishing around 6.00pm due to loss of light. Due to some quick turnovers between races from our starter we have been able to sail a sufficient number of races for completed regattas. Pointscores will be published after the completion of week 6.

PURSUIT RACING

The seventh and eighth rounds of the Orrell Cup were sailed on the 4th and 18th September. The winner on the 4th was Clive Dutton and on the 18th Marshall Harper. Marshall Harper is still leading this series followed by Dave Anstey second and Brad Quiggin third.

WORLD CHAMPIONSHIP

The World Championship regatta at the Bay of Islands in New Zealand is still scheduled for the 29th/30th November. Preliminary Sailing Instructions have been emailed to all interested sailors.
