

WIND WARRIOR NSW STATE CHAMPIONSIP 2026

REGATTA REPORT

31/3/26

Twelve competitors started in the NSW State Championship on Sunday 22nd March.

The morning started with a light westerly fading to no breeze resulting in only 2 races. After a lunch break ideal conditions for RC sailing in a light south easterly breeze allowed another 18 races to be sailed. With a total of twenty races and four drops the winner was Dave Anstey followed by Brad Quiggin second and Adam Cooke third.

Due to missing out on a full morning session of racing not enough time was available to organise any match racing.

Thanks to the Lake Macquarie Yacht Club for the use of the club facilities. Thanks also to Phil Cunningham for doing the starting and scoring.
